Some Notes on Rhythm

Our idea of rhythm is not simply a schedule, but takes into account the needs of the whole child, as well as the group: the child's need for movement, for focused, quiet times and time to explore and direct their own play. We have left some spaces in the day to add your own ideas. In Kindergarten we also eat the same food each day - Monday is Rice day, Tuesday is Soup day' Wednesday is Millet pizza day, Thursday is Bread day, Friday is Yogurt and crumble day
