Donate today, and make a difference that lasts a lifetime...

## Help make Steiner Education available for every child

Steiner education works for children of all abilities, faiths and backgrounds. But for some families this choice is financially out of reach. Donate to our **'Every Child Bursary Fund'** today and open the doorway for a child to benefit from this unique and rich education. From just £3 a month you can help families, who could not otherwise afford it, give their child the gift of Steiner Education. With your support we can ensure that no child is denied a place for financial reasons alone. Set up a Standing Order now – it's quick, easy and secure. Start your regular gift to Cardiff Steiner School and **make a difference that lasts a lifetime.**
