

Early Years Open Morning

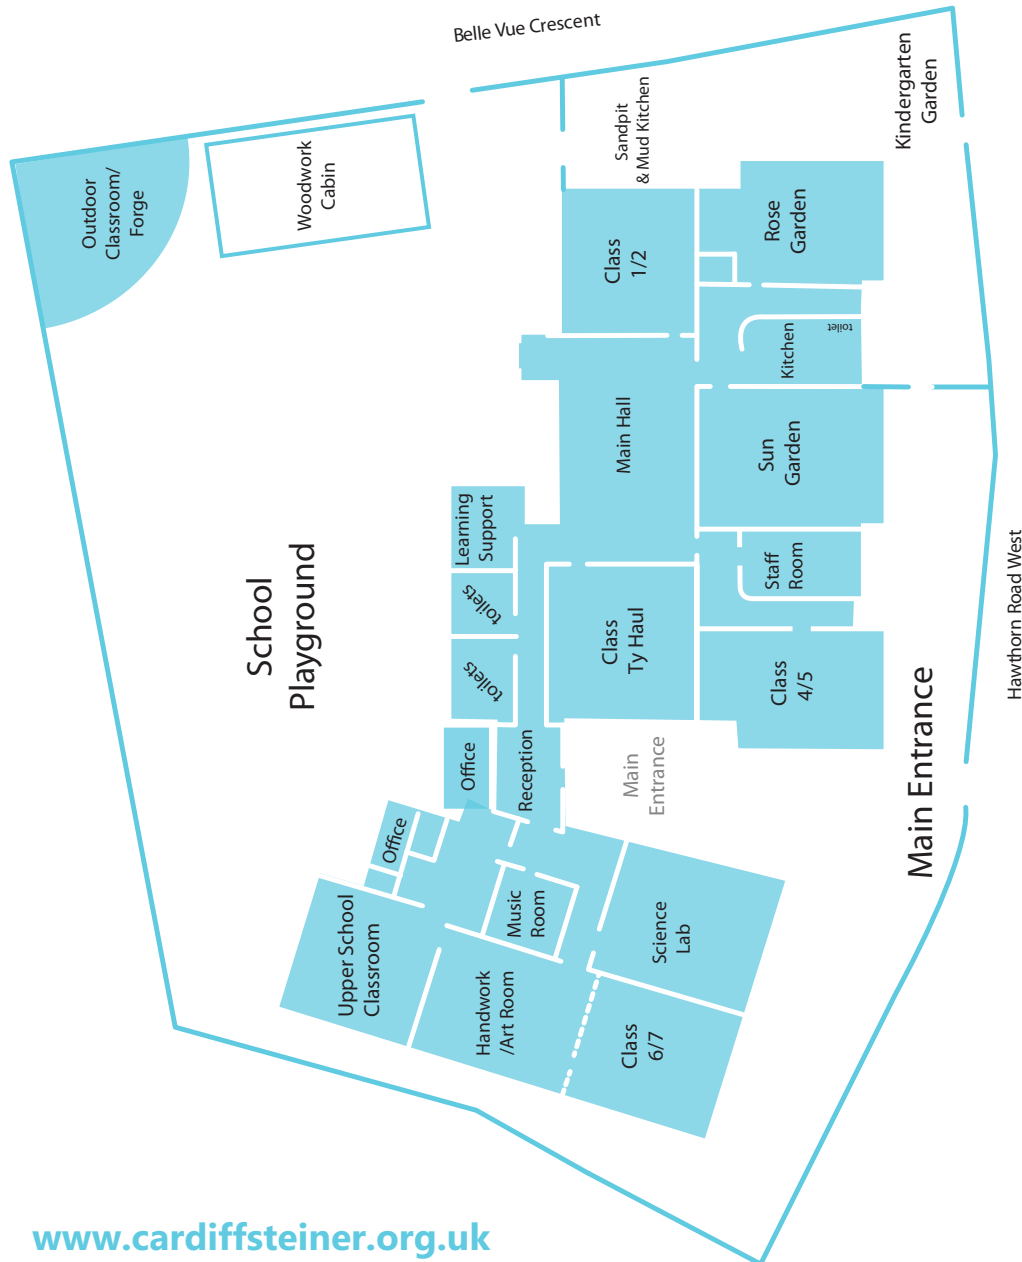

Sat 17 Sep 10.00-12.00

Welcome

Welcome to Cardiff Steiner School. Please enjoy your visit with us today. You can see the Kindergartens, meet the teachers, try out some typical activities of a Kindergarten morning, and find out more about our nurturing and holistic approach for age 3 to 6.

We hope you enjoy getting to know us and invite you to come back and see the School in action at a FREE Taster Morning for you and your child in the Kindergartens. Book today with Nicola Robinson at the Admissions desk.

Full Programme inside...

Programme - Kindergarten 3-6 yrs

Experience the rhythm of a typical Kindergarten morning:

9.45-10.00 **Arrival and Welcome**

Nicola Robinson, our Admissions Officer, will welcome you and introduce you to the Kindergarten Teachers. Our friendly Admissions Team will be on hand throughout the morning to share tea and cake in the Main Hall and answer any questions you have.

10.00-11.00 **Bread Making, Fruit Chopping and Free Play**

The smell of bread baking in the oven is familiar in Steiner Kindergartens around the world. As well as being a joyful, social and sensory experience, it's also an opportunity to do purposeful work which is deeply satisfying for the young child.

11.00-11.15 **Tidy Up Time**

The young child is naturally an imitator. We welcome and work with this ability by providing meaningful opportunities for imitation. Children willingly participate in this work with the adults around them, learning to care for their environment and help others.

11.15-11.30 **Snack Time**

Every morning in Kindergarten the children and teachers sit down together for substantial, healthy, organic food; dishes rich with plenty of vegetables, grains and fruit, which the children have helped prepare. For Open Day we have a simpler menu but the same opportunity to join in this important social time. Please let us know of any dietary requirements.

11.30-11.45 **Kindergarten Autumn Ring-Time**

Join in with traditional songs, rhymes and games. Ring-Time cultivates children's natural love of words, while counting games and rhythmic activities build a solid foundation for number skills.

11.45-12.00 Watch a magical **Kindergarten Puppet Story**

Stories come from the different cultures and faiths of our Kindergarten children - offering a rich exposure to language, and helping focus your young child's memory and concentration.
