Monday 8 May Bank Holiday Update

Dear Parents and Carers

The UK Government has designated an additional bank holiday for 2023 in honour of the coronation of King Charles III. The bank holiday will fall on Monday 8 May following the coronation on Saturday 6 May.

Welsh Government has confirmed that schools are not expected to remain open on the bank holiday and that it should be treated as any normal bank holiday. In line with that, and with Cardiff Schools, **the School will be closed on Monday 8 May as a bank holiday.**

Kind regards

Miranda Knight

School Administrative Manager
